

### Non-stick Honeycomb Soleplate

With a unique patented honeycomb design, the soleplate delivers steam uniformly and allows the iron to glide effortlessly over your laundry preventing shiny patches to darker fabrics.

### High Steam Pressure

The FashionMaster delivers professional-grade ironing results with 4 bar steam pressure and a constant steam volume of 100g/min.

### 1-2-Lift System

With the patented 1-2-Lift System, it allows you to set up the complete iron, steam generator and ironing board appliance easily and, when you are finished with it, stowed away conveniently.

### External steam generator

The Miele steam oven generates steam outside of the cooking chamber before injecting the steam, which eliminates calcium deposits and makes cleaning quick and easy.

### Cook different dishes all at once

Simultaneously cook on three levels without transferring flavours from one level to the next. Now you can cook a complete meal at the same time.

### Quantity independent cooking

Whether you are cooking 100 grams or 1 kilogram of food, the cooking duration will always stay the same.
